Come train with us
Marhaba!

Greetings from Etihad Aviation Training, Abu Dhabi!

We would like to welcome you to Abu Dhabi, the capital city of the United Arab Emirates.

This informative guide will help you make the most of your time with us. It contains an overview of our training environment, as well as some useful information about our world-class facilities and amenities. We also have some advice on how to get the most out of living in Abu Dhabi.

We are looking forward to seeing you soon.

Sincerely,

Paolo La Cava
Managing Director
Our vision

To be the world’s premier aviation training organisation.

Our mission

To offer the highest levels of aviation training using best-in-class facilities and human resources in a friendly learning environment, which is also intellectually, socially and personally transformative.

Technical Training

Etihad Airways Technical Training commenced its journey as a 145 Training Organisation in 2008. It rapidly developed to become a leading provider of hundreds of aviation courses annually to thousands of professionals from all over the world.

At Technical Training, we are committed to developing the next generation of global aviation leaders and enabling Abu Dhabi’s vision of becoming an international aerospace and aviation hub.

Within a short span of 18 months, Etihad Airways Technical Training gained 147 Approved Maintenance Training Organisation with the UAE General Civil Aviation Authority as well as an EASA 147 approval, demonstrating its relentless commitment to becoming an industry-leading provider of a wide range of technical training courses.
Technical Training utilises industry-leading technologies to deliver best-in-class training with valuable opportunities for hands-on experience in real-time scenarios.
